

# Hurry! Time is running out to Redeem your Rewards from Last Year's Wellness Program! Redeem your Rewards NOW by 10/31/22!

The Grace Period to Redeem Your Rewards from Last Year's Wellness Program is coming to an End on 10/31/22. Participants **MUST** complete any rewardable activities and redeem their rewards by **October 31, 2022** to avoid forfeiting their balance.

## What do you need to do?

**Step #1:** To view your earned rewards, from last year's program, open the **Sydney health app** or log into **Anthem.com**.

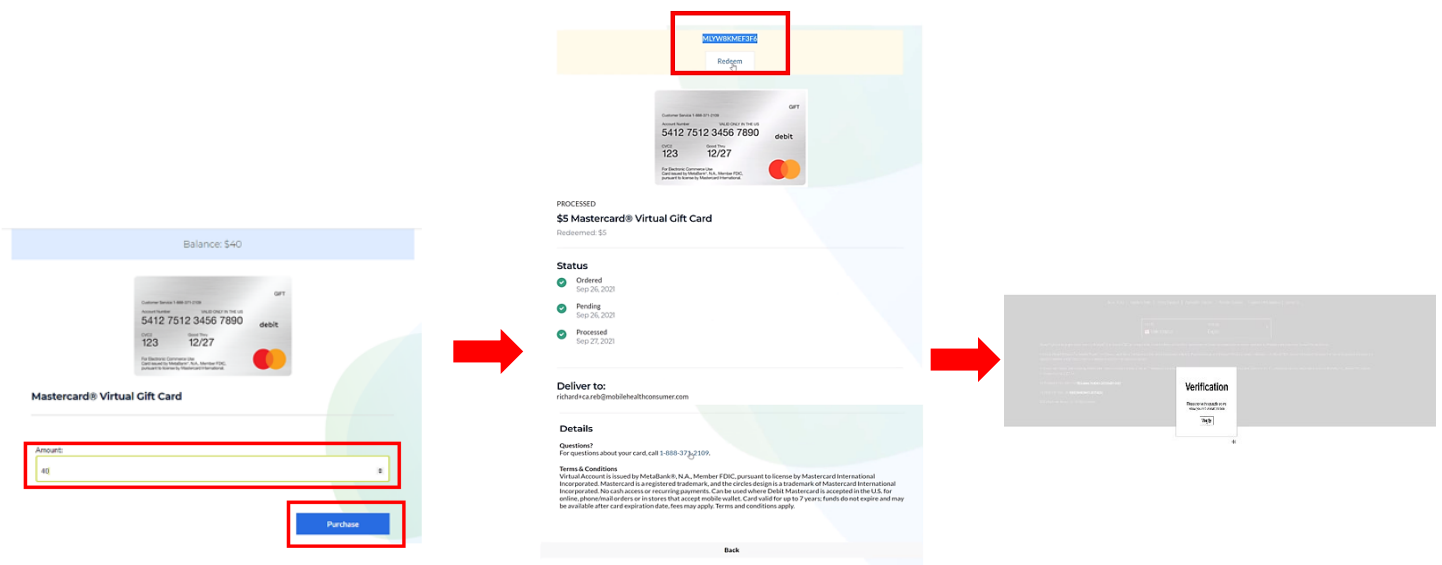

Once on **anthem.com**, navigate to the **My Health Dashboard** tab and Click on **Redeem Rewards** button.

If you are on the Sydney app, you navigate to the **My Health Dashboard**, through the **MORE** Tab. Once on the **My Health Dashboard**, click on your **Redeem Rewards** button.

**Step #2:** Select one of the 8 Digital Gift Cards that you would like to add your reward on.

- **2a. Add the reward amount you want on the card selected.** You have the option to add your entire reward on one card, or you can split it up in multiple cards. In the screenshot below, the entire balance was added on a Mastercard, but I could have added \$20 on the Mastercard and \$20 on an Amazon card.
- **2b. Click "Purchase"** and on the next screen, click on **"Redeem"** to complete the transaction. When using any of the 7 Retail Digital Card Vendors this would be your last step.
  - **NOTE:** When using the Mastercard, since this is a bank card and not a retail card, an additional step #3, is required to complete your purchase.

### Step #3: Required ONLY when redeeming your funds with a Mastercard.

- You will be directed to a separate page to set up your virtual account for your Mastercard. Complete the registration form.
- Once your account is created, your card will be activated.

**Register to Shop Online**

• Enter your current billing address.  
• The address entered below must match the address entered when using your virtual account to shop online.  
• Address validation occurs when shopping online (IP: this is similar to the address validation that takes place when you purchase online with a credit card).
